Marie Krysinski.

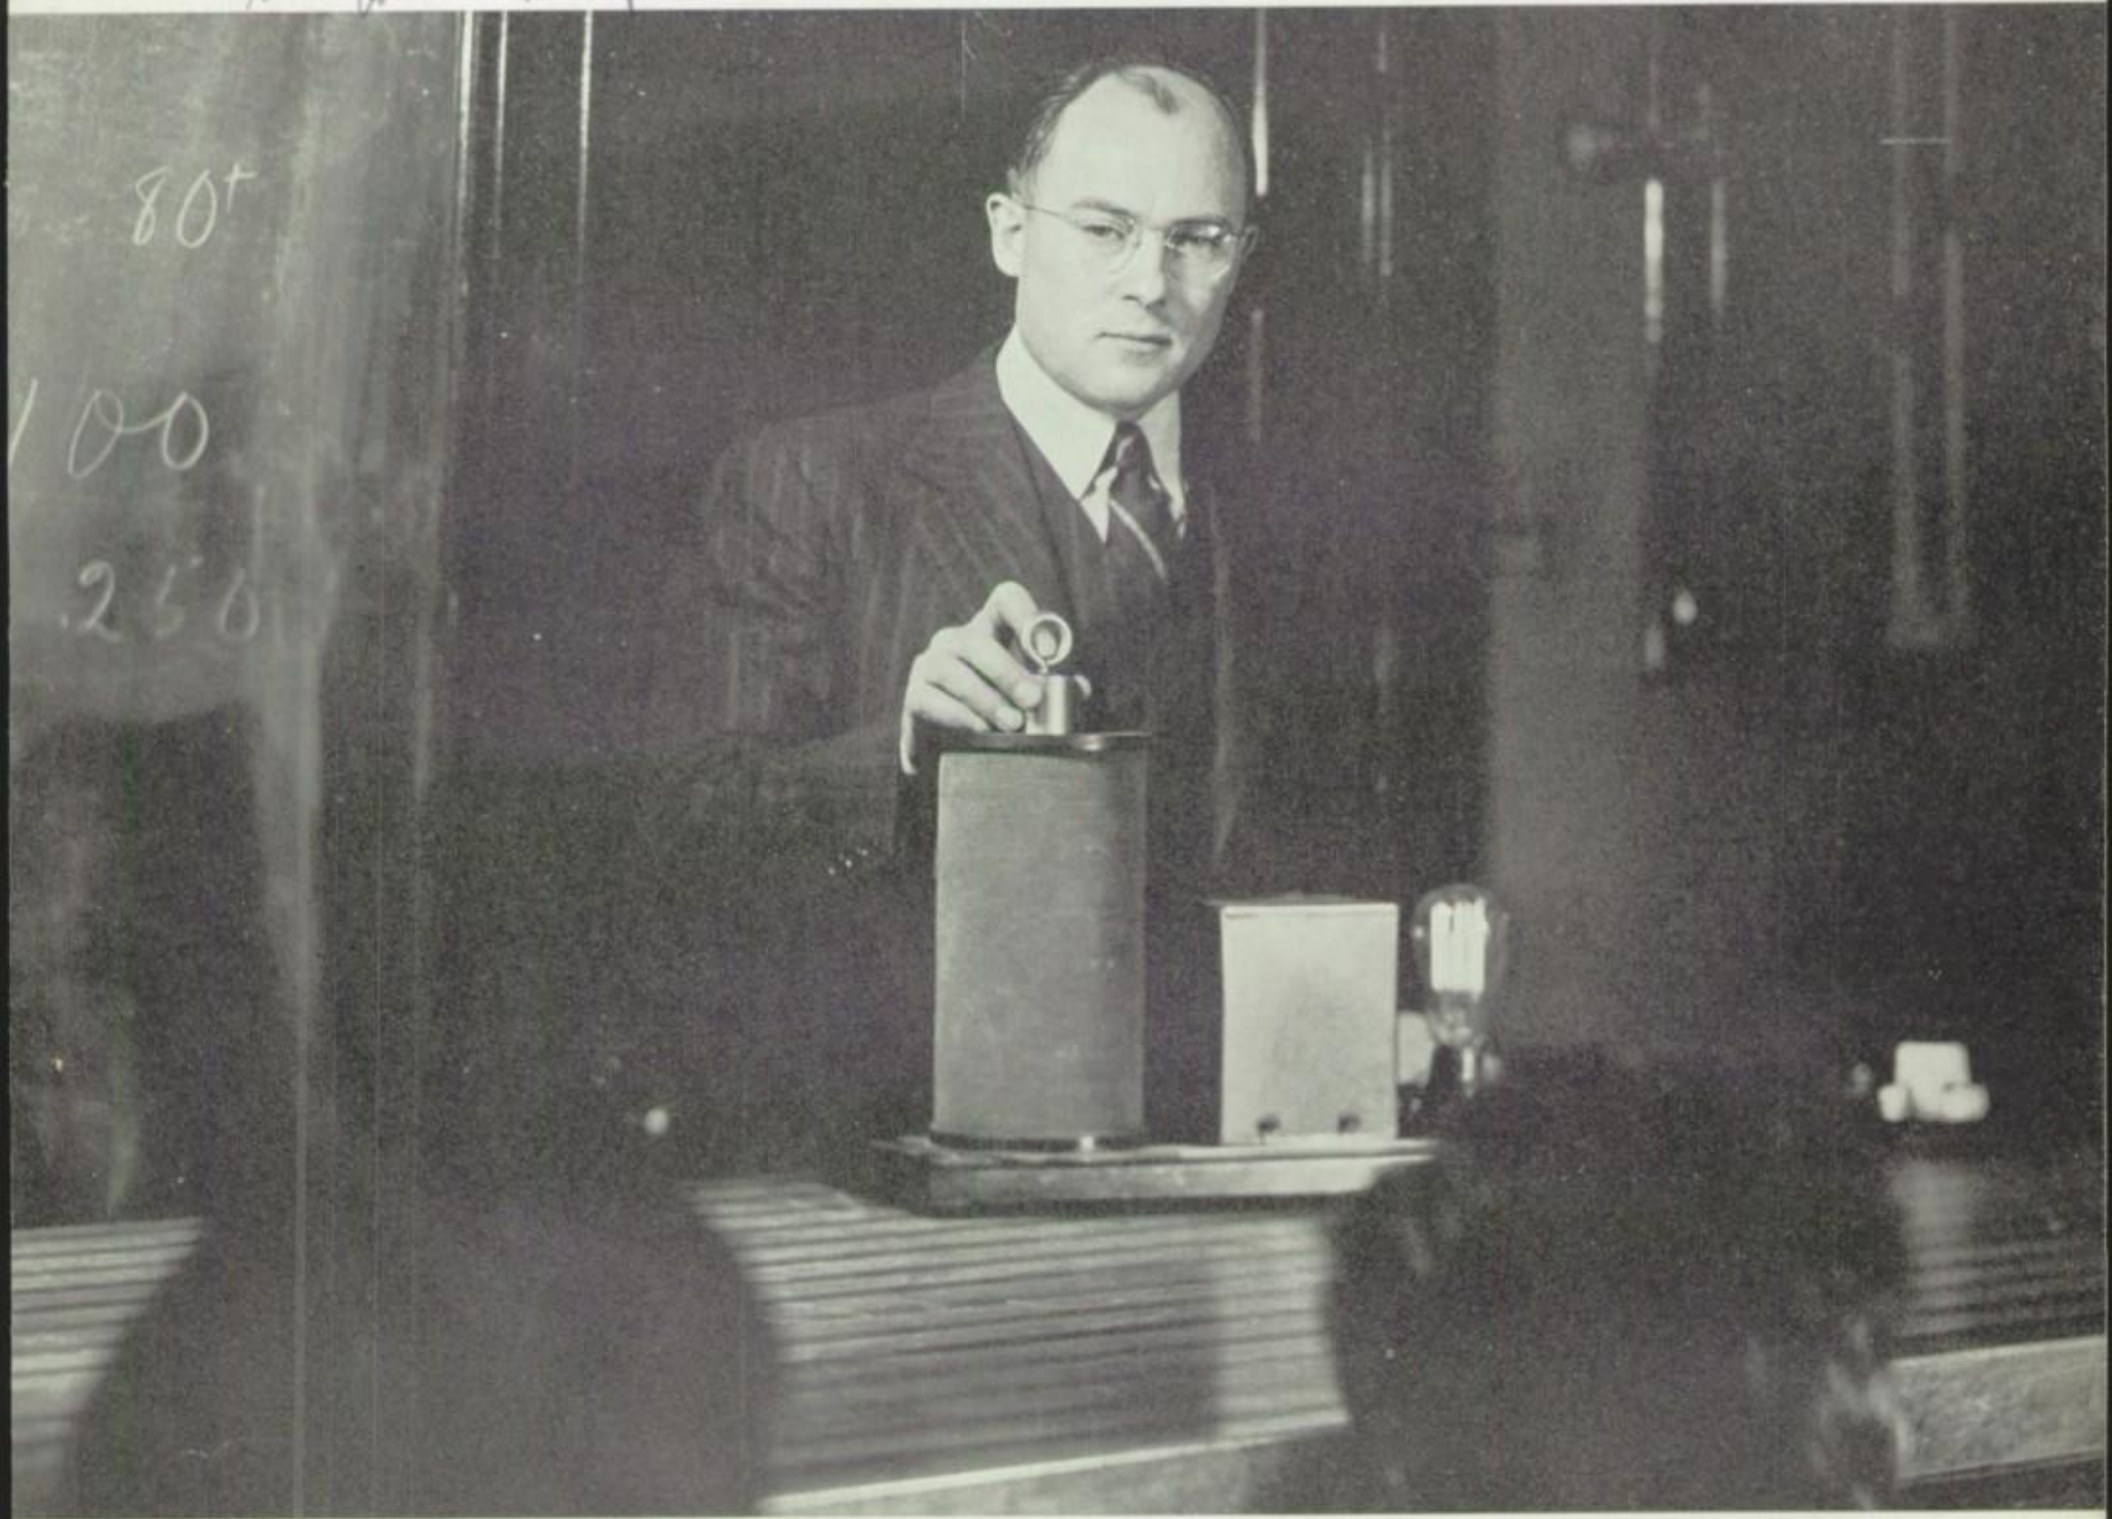

A member of our Physics department, Mr. Louie Weckel has unobtrusively served our school for many years.

He has not been strictly a teacher, however, for we find him a busy sponsor of the 3B class, a willing tutor for the struggling members of the band, and an ever ready counselor for all students with whom he has come in contact.

His tireless patience with his pupils, his complete understanding and sympathy as a class sponsor, and his all around good fellowship with the student body, have made Mr. Weckel an indispensable part of our school. It is in appreciation of these attributes and with sincere affection that we dedicate this Eagle.

ORGANIZATIONS OF THE YEAR

EAGLE + SENIOR GIRLS' COUNCIL
 SENIOR BOYS' COUNCIL + SOPHOMORE
 COUNCIL + I. C. C. + FACULTY + +

T H E E A G L E

The Eagle is published semester after semester with very few of the student body realizing the work, worry, experience, and enjoyment, gained by producing it.

Writing and correcting articles, reading over copy, inspecting the mountings, and modeling "dummy" sheets, are but a few of the numerous duties that occupy the time of the Eagle editors and their staffs.

This semester, under the continued sponsorship of Miss Carrie L. George, and business advisorship of Mr. Miles V. Shore, the Eagle staff was headed by Sylvia Axelson, editor-in-chief, with Bob Bandurski as assistant editor.

STAFF

The staff which controls the creating and correcting of the first and second drafts of the various articles was headed by Kenneth Campione and Bonnie Thiemann, associate literary editors. The girls' and boys' sports staffs were supervised by Ruth Mueller and Bill Farrell, respectively, and the Eagle business matters were competently handled by Raymond Soltis. This semester the art work was handled by the Lindblom Art Department under the direction of Mrs. Worst.

With the co-operative efforts of these staffs, the Eagle is published, culminating four years at Lindblom, and delivering the ultimate note of an already melodious school career.

SENIOR GIRLS' COUNCIL

The Senior Councilors present a charming picture to all Lindblom in their white dresses and striking red jackets. They may often be seen flashing through the corridors with their mysterious baskets containing such delightful surprises as flowers, football pins, or colorful bows.

The councilors are selected as the result of a vote by the students and a group of teachers, and to be a member of this selected group is the goal of every girl who enters Lindblom.

Each week the girls congregate in the Social Room to discuss the ways and means of serving the feminine Lindblomites and to plan one of their famous assemblies such as April Fools Sing, or The All Girls' Thanksgiving Assembly. Another important event sponsored by the girls Council is the Candy Sale at which time the girls produce the most original—no one else would dream of using their recipes—and delicious concoctions ever tasted by a Lindblomite.

SENIOR BOYS' COUNCIL

Every year, from the thousand or so members of the senior class are chosen sixteen 4B and 4A boys to wear the maroon arm band that is emblematic of superiority in some field here in Lindblom. From all fields of endeavor, the athletic, journalistic, and scholastic, come the selected few to uphold the traditions of one of Lindblom's highly honored organizations. From within the door that bars outsiders from its meetings develop such worthy projects as the Pep book, and many others for the betterment of the school as a whole. But within all is not work and drudgery, as those who have attended their occasional outings can truthfully testify. The high standards followed through the long years of its existence have made the Senior Boys' Council not just a figurehead, but a symbol of the ability, the ambition, and the capability that is Lindblom's.

INTER-CABINET COUNCIL

Behind the closed doors of the Boys' Club Room every Wednesday, 9th period, an Inter-Cabinet Council transacts its business. Anything and everything that concerns the student body is brought before the council for discussion and approval or disapproval, as the case may be.

An energetic and enterprising group, the Council is outstanding for bringing new ideas before the school. A contest for new cheers with which to urge our football team forward to victory was sponsored by it this past semester. The prizes for the contest were, appropriately, tickets to football games. Other activities sponsored by this group include the planning of Senior Day, the Lindblom Booster Club, and the trips taken every semester to various interesting places in Chicago.

The I.C.C. is sponsored by Mrs. Stoner and Miss Jones, and in the positions of student leaders we have such notables as Marvin Baron, president; Dorothy Meiser, vice president and chief roll caller; secretary, Shirley Raines; and keeper of the financial books, Kenneth Campione.

SOPHOMORE CABINET

The Sophomore Cabinet, composed of the up-and coming members of our lower classmen, the Sophomores, is one of Lindblom's most active organizations. Under Mrs. Copely's and Miss Murphy's sponsorship they seek to attain new heights of accomplishment in the planning and arranging of the semi-annual assembly and all the "Soph" affairs.

They always keep the motto "Lindblom Beautiful" before them as a goal for which to work. It urges them to seek to make Lindblom more beautiful, not only in appearance but also in her high standards of sportsmanship and all around good comradeship. To lead them in striving towards their goal they have elected four of their fellow classmates who have proved themselves capable of assuming their responsibility. As president, Shirley Johnson has demonstrated unusual executive powers, and Robert Bell serves as vice-president, Elaine Glynn as secretary while the treasurer is Eleanor Susic.

FACULTY

Anne L. Moore

Hubert H. Hume

MR. TAYLOR is the director of our National A Cappella Choir Champions who traveled to Springfield last April and returned with a championship shield for Keeler Hall.

MISS EDWARDS has now retired after guiding and teaching young Lindblomites for twenty unselfish years.

MRS. FINLEY has been the mainstay and counselor of Lindblom girls for two decades. She is never without a kind word or soothing ministration.

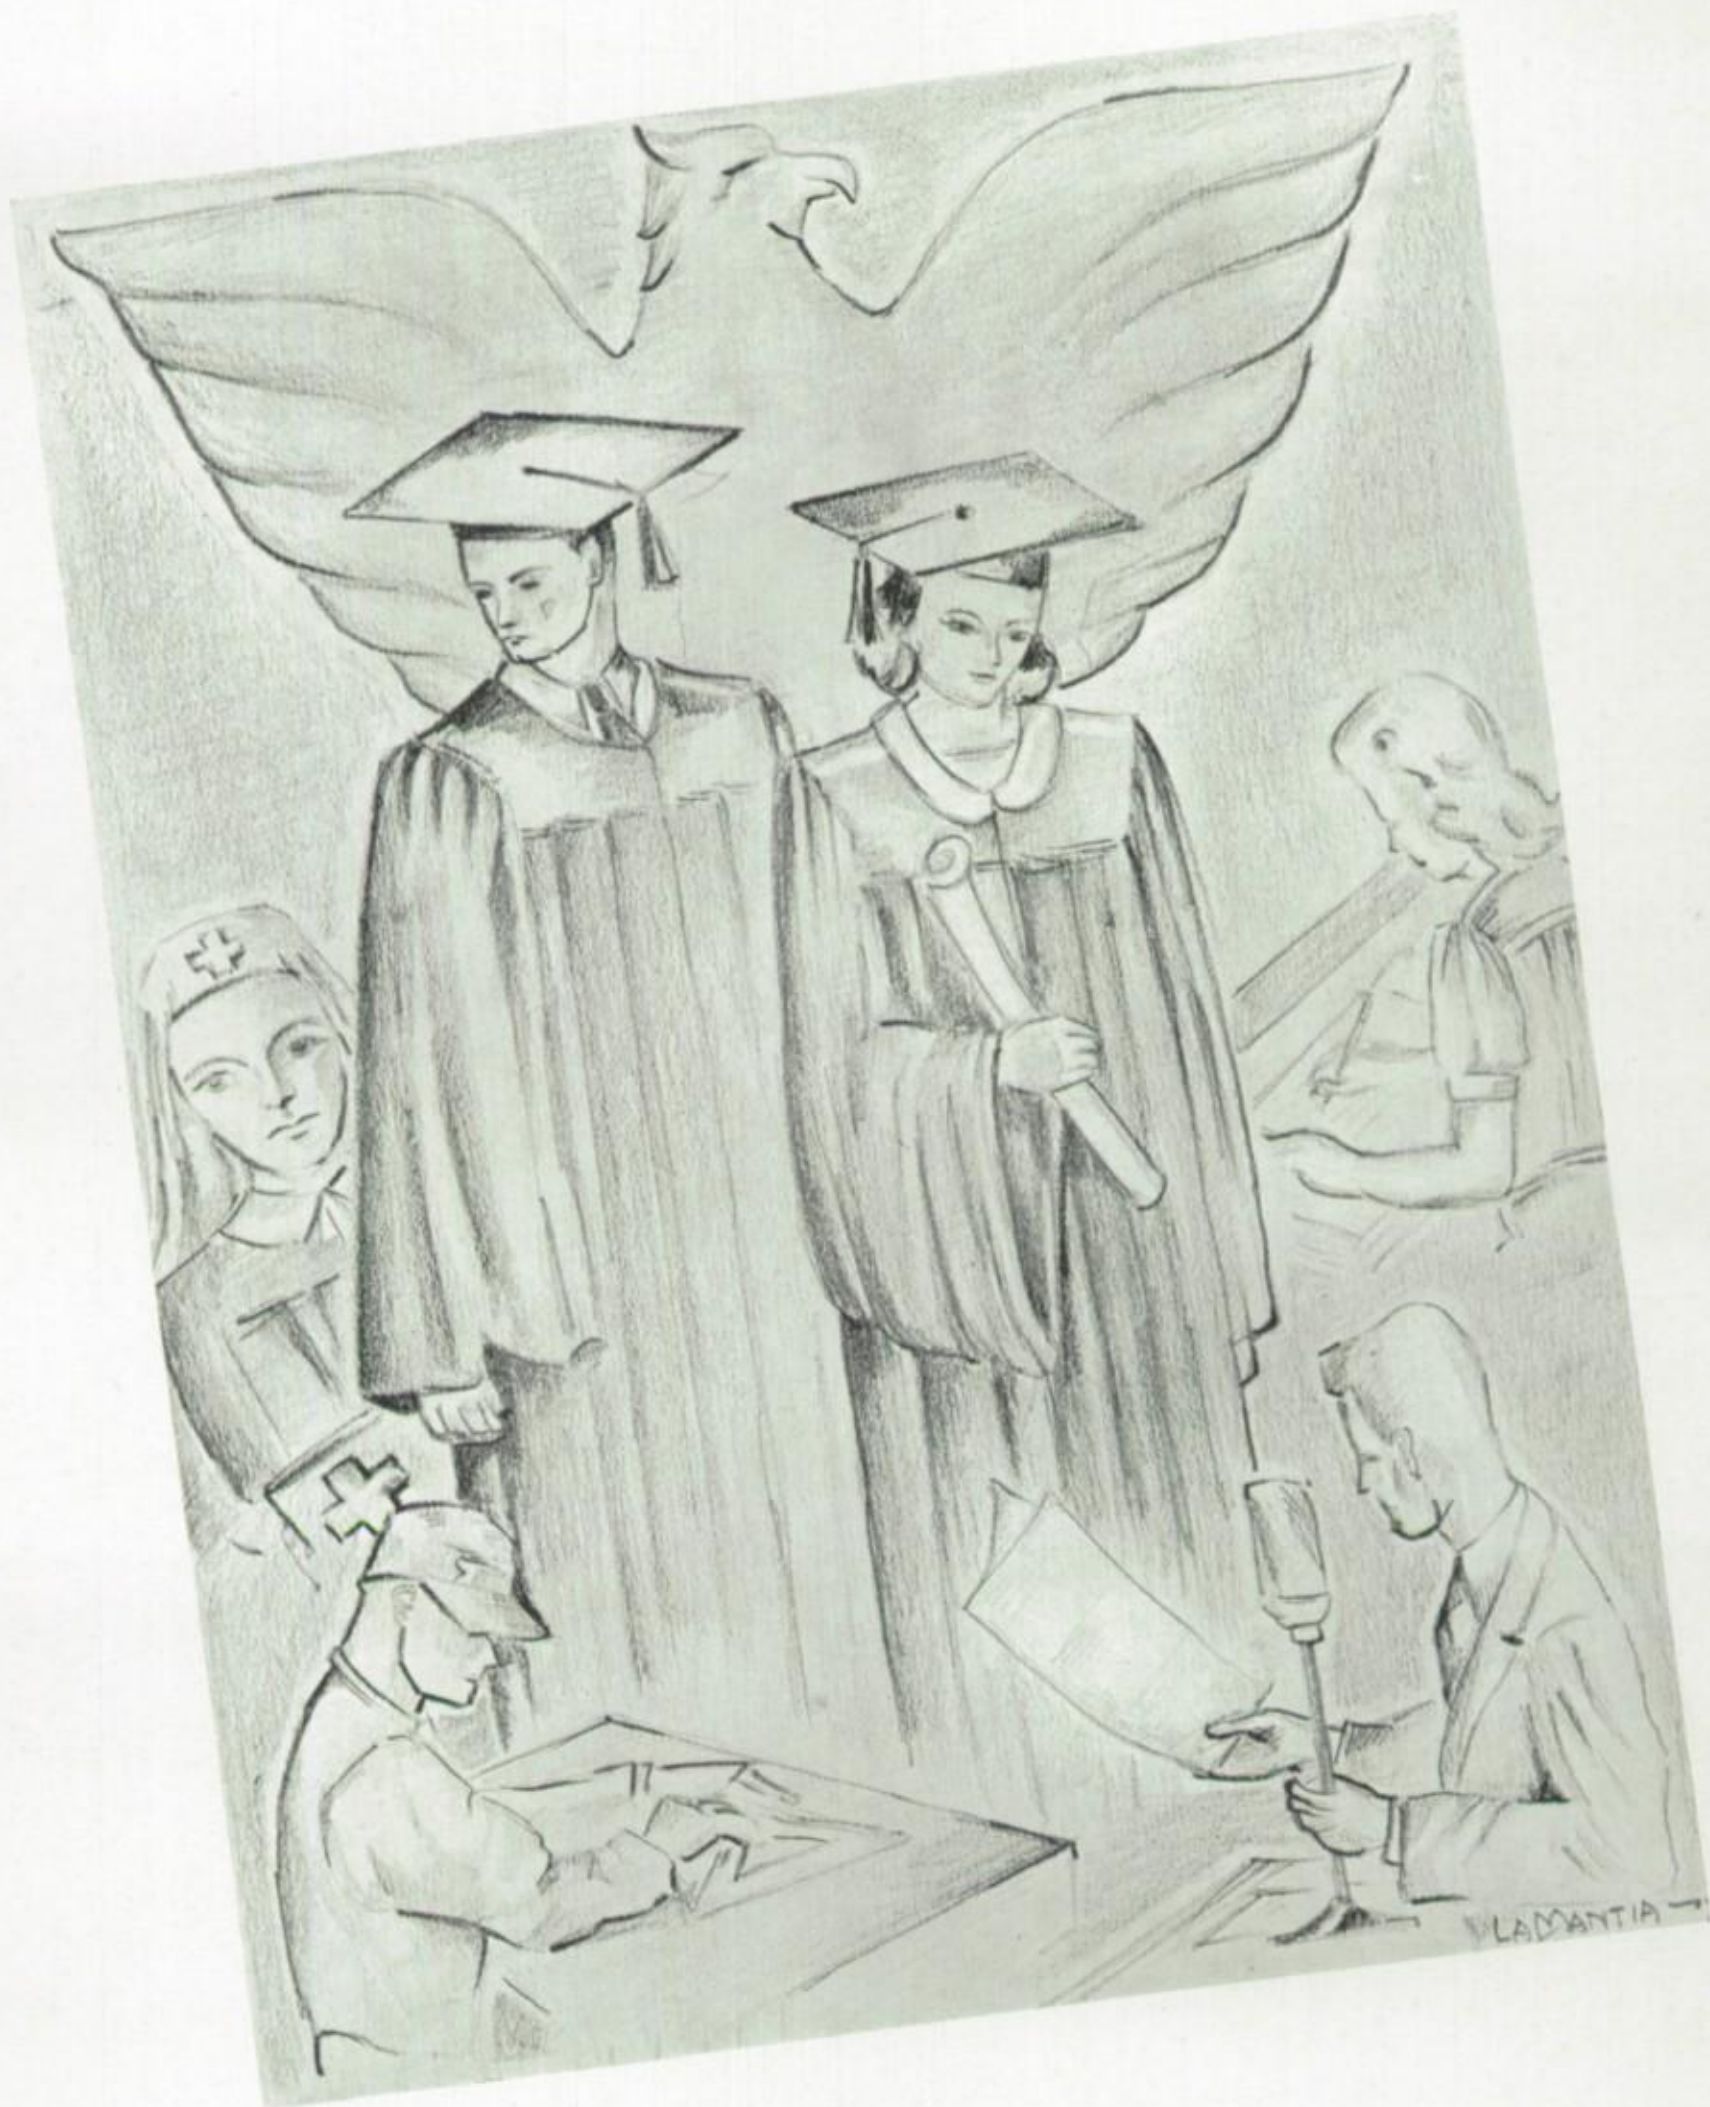

MR. BRAZIL has had charge of Lindblom's supply room for sixteen unsung years—an indispensable man and an indispensable department.

It has long since been taken for granted that the faculty is just a necessary part of the school. However, can you imagine how you would feel attending an educational institution where there was nobody to ask for the declension of "Hic" or to assign the memorizing of the main points of our Constitution?

We may not realize how fortunate we are in having a faculty composed of modern thinkers. We certainly would not relish the idea of having a school master beat us over the head with a book if we could not say whether the Celts had red hair and dark skin or dark hair and red skin or neither—although some thinking might be stimulated by such a blow.

The faculty is possibly the least cheered and appreciated part of a school. We yell for our football team, we boast about our social organizations and we laud our publications. Yet our unsung Lindblom staff discharges its duties in a cheerful manner, conveys the spirit of Lindblom to new students, and prepares future citizens for our country.

THE THEATER

DRAMA OF THE YEAR

+ WHAT A LIFE! +

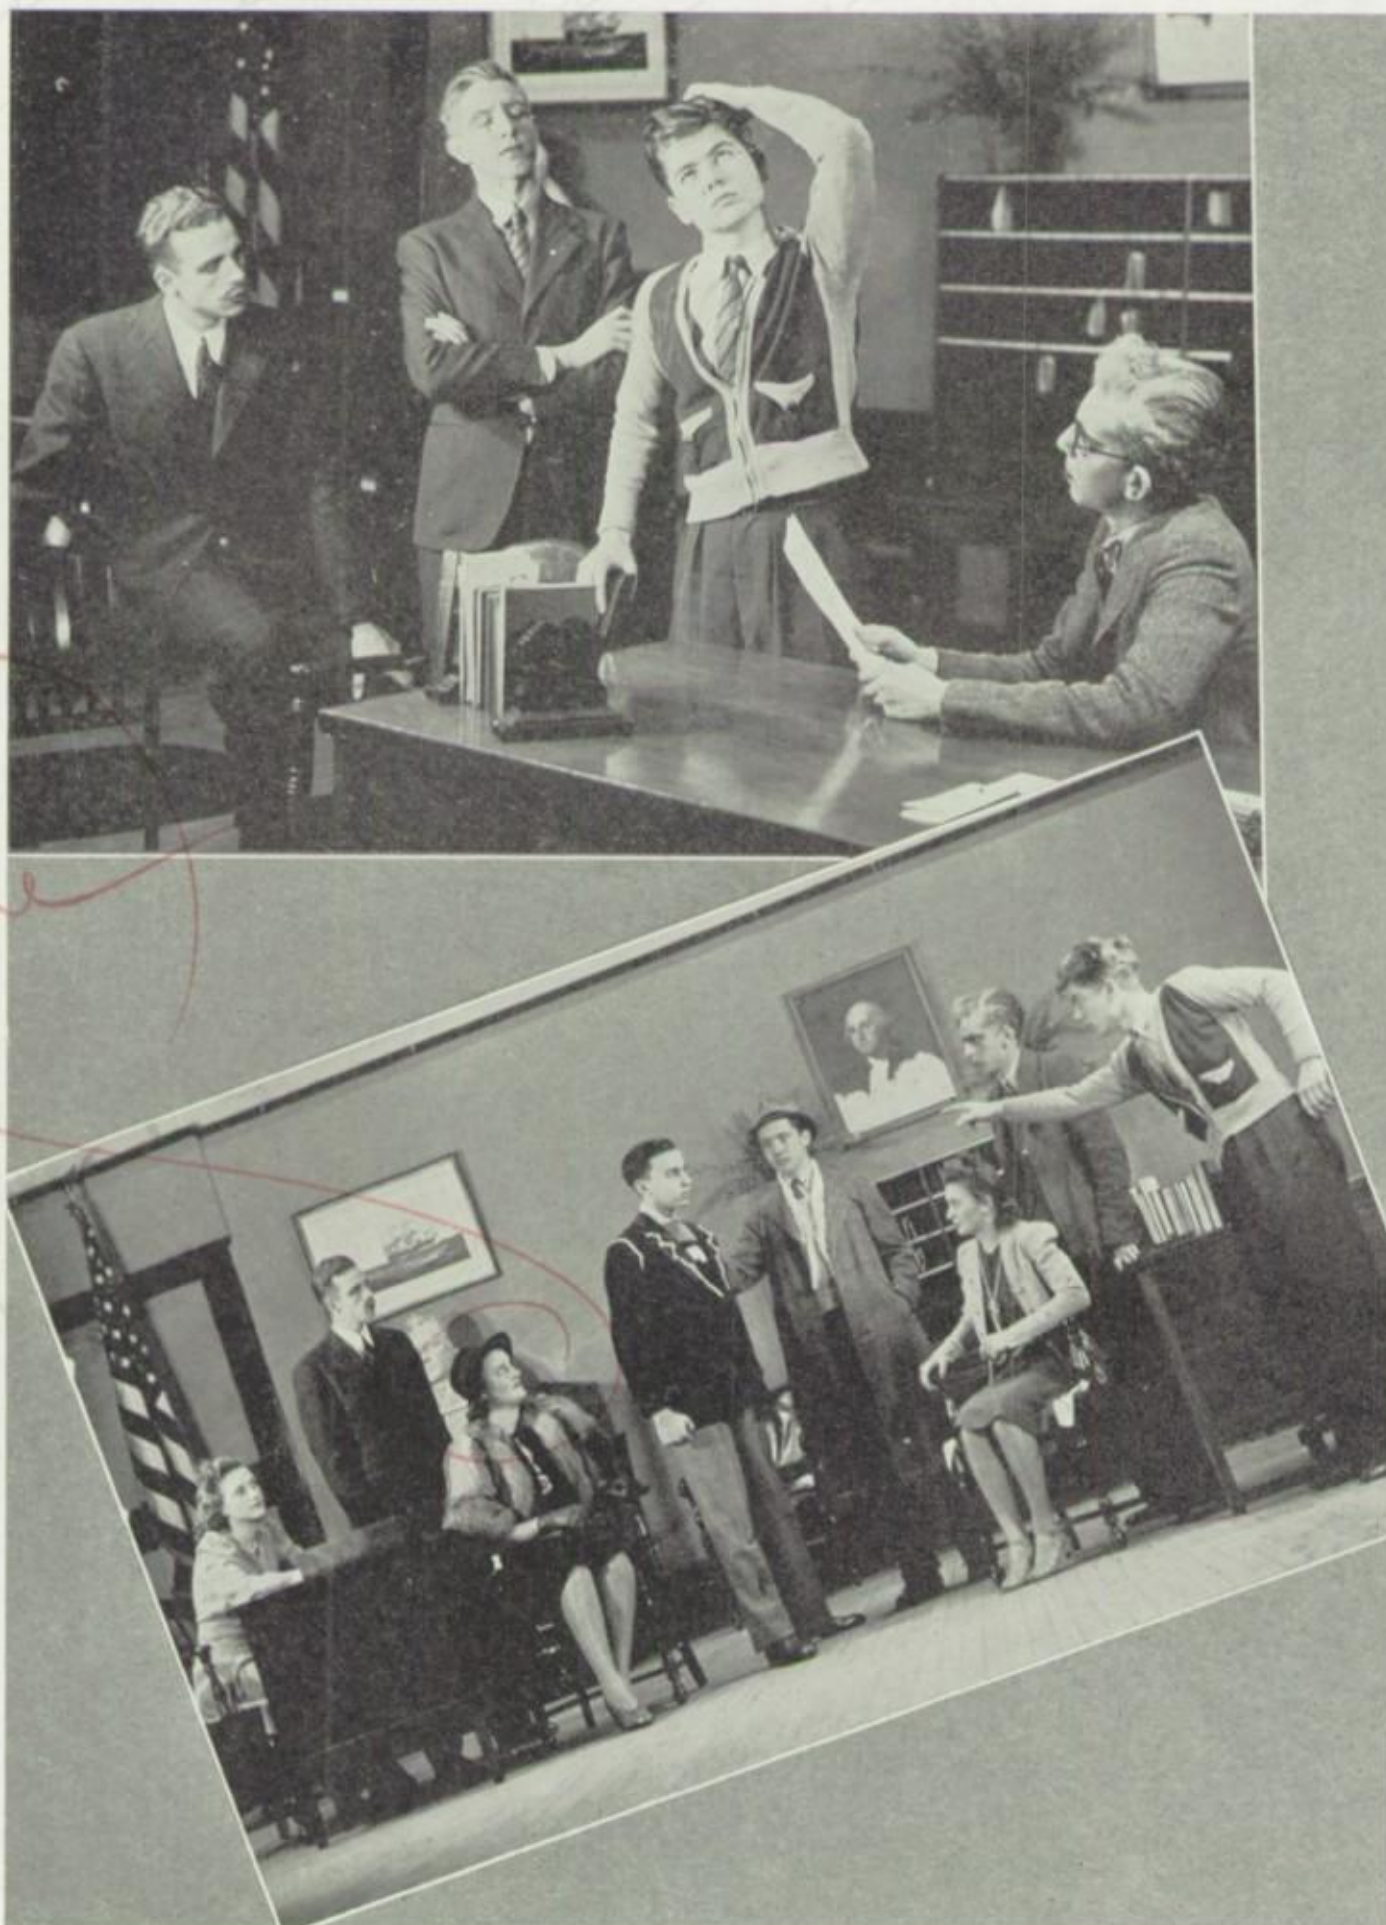

WHAT A LIFE

This year, under the direction of Miss Margaret Hungerford Dixon, the Lindblom play culminated long hours of rehearsal and arduous effort by two successful appearances of "What a Life," in Keeler Hall.

The action starts out rather mildly with what appears to be a routine day in the placid existence of Central High

school and soon centers around the trials and tribulations of one Henry Aldrich. Henry is the type of individual who has an almost superhuman ability for involving himself in the afore mentioned tribulations. He has an equally remarkable aptitude for getting out of them. In one of the opening scenes the theft of a set of band instruments is announced and from then on almost everything conceivable happens.

Henry's plans to go to a school dance are frequently interrupted by his history teacher's insistence that his ninety-six in a test was the result of cribbing and not that of hard studying. In a series of events wholly unbecoming to an educational institution, the band instruments are recovered. Then Henry attends to the school dance and his history test in his own inimitable

fashion, thus bringing peace to the Aldrich household, and Central High.

During and after the course of the play many students marvel at the similarity of some of their experiences to those of Henry Aldrich. If the resemblance was not discovered in the first part of the play, it certainly must have come rather close in the last line, "Can you lend me 30 cents?"

LINDBLOM-TILDEN GAME

The Lindblom eleven played their first Central Section game with their traditional gridiron foe, Tilden Tech. The game was played at Stagg Field with Lindblom emerging victorious to the tune of 13-6.

The struggle began when Tilden punted the opening kickoff to the Lindblom thirty yard line. Unable to do anything against Tilden, the Eagles punted deep into Tilden territory. The Techmen started a drive for the Lindblom goal line, but were stopped on the Lindblom ten yard line where the Eagles took possession of the ball. After making three first downs, Zarzecki carried the ball over the goal line for the first Lindblom score of the game. Al Ozouf's place kick for the extra point was good.

In the second quarter Tilden had the ball in their possession most of the time, their only touchdown being scored when the Tech captain recovered a blocked punt over the Lindblom goal line. The try for the extra point was unsuccessful.

The Lindblom team had possession of the ball during all the third quarter. Many of their plays were called back for penalties. Although the Maroons were playing hard, Tilden's line was impregnable. In the fourth quarter Lindblom scored her second touchdown, and gained complete control of the game. When the gun went off, ending the contest, Lindblom had started another victorious season.

Inspired by the pep assembly held in their honor, the Lindblom football team battled one of their toughest foes, Kelly High. The Maroon attack proved too much for Kelly and Lindblom won a hard fought 15 to 8 victory.

The first quarter contained plenty of action and thrills. In the opening minutes of the game, a safety was scored against Lindblom and the Kelly team received two points. Shortly after, the Eagles started their powerful attack and advanced the ball to the Kelly seven yard line on a series of running plays, passes, and tricky reverses. On the first down Chester Zarzecki threw a pass to Al Ozouf, for Lindblom's first touchdown of the game. Ozouf's place kick for the extra point was blocked.

In the early part of the second quarter, Kelly was tackled behind her own goal line scoring a safety for Lindblom. The green and white kicked on their next down. Al Ozouf received the punt and raced sixty-five yards to the Kelly four yard line. Petrak plunged through center for Lindblom's second touchdown. The extra point was converted by Tony Borcich.

In the second half of the game, Kelly scored her first touchdown on a twenty yard pass. The Eagles blocked the kick for the extra point. Lindblom made several drives in the remaining part of the game, but due to penalties imposed on them, they were unable to score. In a futile attempt to even the score, Kelly unleashed a barrage of passes but the final score remained 15-8 in our favor.

LINDBLOM-KELLY GAME

LINDBLOM-DU SABLE GAME

Du Sable was the victim of Lindblom's third straight league victory. The courageous, but light Du Sable squad was unable to do anything against Lindblom, and the Maroon eleven won 14 to 0.

In the opening minutes of the game, Spencer of Du Sable was a constant threat to Lindblom. Through his long runs, Du Sable made two first downs. When the Eagles gained possession of the ball, they immediately started a drive for the Du Sable goal line. After making three first downs, Borcich threw a lateral pass to Webright good for a seven yard gain. Senkowski on the next play plunged over the goal line, for Lindblom's first touchdown of the game. Al Ozouf converted the extra point.

Lindblom scored their second touchdown in the second quarter on some fine open field running by Ozouf and Zarzecki. Ozouf ran around right end for nineteen yards, scoring the touchdown. Tony Borcich's place kick for the extra point was successful.

The remaining part of the game was spent with Du Sable trying to score. Many of their drives were stopped by the strong Lindblom line. In the last two minutes of the game, Du Sable excited the fans, by advancing the ball to the Lindblom nine yard line. Their attempt to score was terminated when the referee blew the whistle, ending the game.

Showing that they have the ability to run up large scores, the Lindblom Eagles swamped the Farragut eleven 40 to 0.

In the first quarter Farragut showed some life when they recovered a Lindblom fumble and advanced the ball to the Lindblom four yard line. The ball was turned over to Lindblom after four downs on their own one foot line. The Maroons punted out of their own territory. Farragut, unable to do anything, punted to their own thirty yard line. Petrak, on the first play, ran around end for Lindblom's first touchdown. Late in the second quarter Gebhart blocked a Farragut punt which rolled in the end zone for an automatic safety. The half ended with Lindblom leading 8 to 0.

Lindblom really went on a scoring spree in the second half. Zarzecki tallied after a thirty-five yard march. Tony Borcich converted the extra point. Soon after, Zarzecki scored another touchdown on a 40 yard run around end. Al Ozouf missed the extra point. Webright scored two touchdowns in the fourth quarter. He ran 15 yards off-tackle for the first score, while the second touchdown was scored on an end run from the three yard marker. Both of the tries for the extra points were unsuccessful. Ozouf later scored a touchdown on a 25 yard end run. Johnny Webright made the extra point.

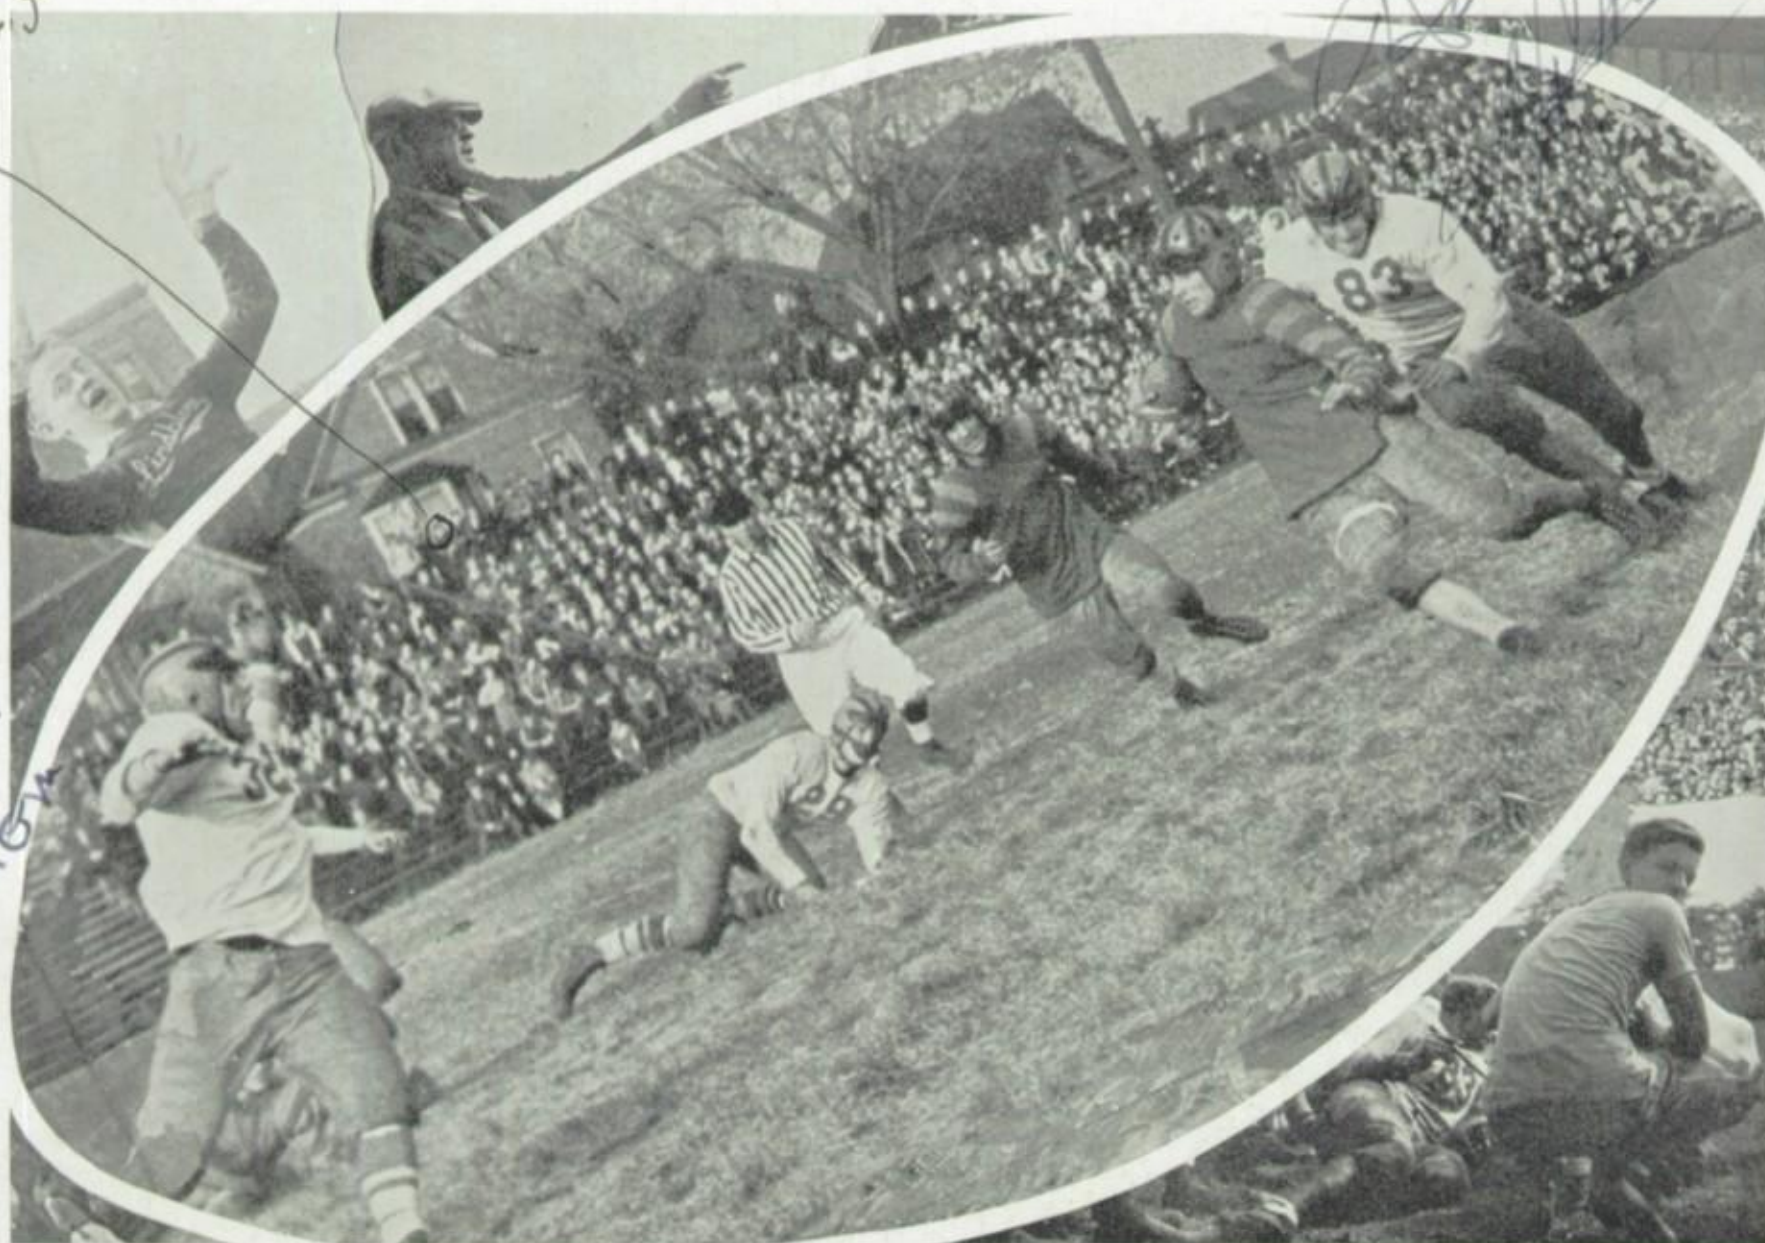

Every one received equal credit for this victory. The linemen held the Farragut eleven to one first down. Credit also goes to the backfield men, who made possible Lindblom's biggest score of the season thus far.

LINDBLOM-HARRISON GAME

The Lindblom Eagles cinched the Central Section Championship by winning from Harrison Tech 14 to 0. It was the first championship Lindblom has won since 1935.

In the first quarter, the teams exchanged fumbles. After Lindblom recovered the Harrison fumble on the fifty yard line, Zarzecki threw a pass to Ozouf, who ran the ball to the Harrison 30 yard line. The Maroon eleven, unable to make much ground on running plays, once again took to the air. Zarzecki threw a pass to Ozouf and he ran over the Harrison goal line for the first Lindblom touchdown. The extra point was made by Ozouf. Harrison, upon receiving the Lindblom kick-off, immediately started a drive for the Lindblom goal line. The Hornet scoring threat was ended on the Lindblom five yard line. No further scoring occurred during the first half. When the half ended, Lindblom led Harrison 7 to 0.

Early in the second half Harrison's quarter-back ran a punt to the Lindblom twelve yard line. Harrison was penalized fifteen yards on the next two plays. The Hornets scoring threat was once again ended when Carl Schiller intercepted a pass. Lindblom on the next ten plays advanced the ball to the Harrison three yard line from where Ray Senkowski scored the second and last Lindblom touchdown on a center plunge. Ozouf place kicked the ball right between the crossbars, for the extra points. Lindblom threatened the Harrison goal line, but their drive ended, as the game ended. Once again Lindblom won the Central Section League Championship!

The Lindblom Eagles played like true champions by overwhelming the Englewood eleven 68 to 0. This was the highest score ever compiled by a Lindblom team in a Central section game.

On the first play of the game, Zarzecki threw a pass to Ozouf on the three yard line. Senkowski, on the following play, scored the touchdown on a center plunge. The extra point was made by Ozouf. When Englewood received the ball, Freeman, their quarterback, was tackled behind his own goal line and two more points were added on to Lindblom's score. Soon after the Purple and White kicked, Lindblom scored another touchdown. The tally was made by Wilkin, and Ozouf made the extra point. Englewood fumbled on her own twenty yard line and the ball was recovered by Lindblom. After the Eagles completed a pass, Ozouf, on an off-tackle smash, scored a touchdown from the three yard line. Webright's kick for the extra point was unsuccessful. Ozouf, on a pass from Webright, scored another touchdown. Webright's place kick for the extra point was blocked. Early in the second quarter, Stefanism scored a touchdown on a twenty yard run around end. The extra point was unsuccessfully tried by Stefanism. Towards the end of the second quarter, Androsi caught a pass from Stefanism and ran twenty-two yards to score. Borcich missed the extra point. At the half, Lindblom led 40 to 0.

The Eagles were held scoreless in the third quarter, but in the fourth quarter, Ozouf scored two touchdowns, and Zarzecki and Schiller each scored one. Ozouf's place kicks for the extra points were all successful.

LINDBLOM-ENGLEWOOD GAME

LINDBLOM-PHILLIPS GAME

The Lindblom Eagles completed their Central Section schedule by winning from Phillips at Normal Park 32 to 0.

Phillips, on the first play of the game, made fifteen yards on a tricky lateral play. The Blue and Grey was not able to do anything on the next two plays and they punted. The punt was blocked by three Lindblom players on the Phillips 47 yard line. On a series of running plays, the Eagles advanced the ball to the two yard line, from where Ozouf plunged off-tackle for the first Lindblom touchdown. Ozouf's place kick for the point after touchdown was successful.

A few minutes after the second quarter started, Zarzecki received a Phillips punt on the 35 yard line and brought it to the 50. Zarzecki, on the next play, received a lateral from Borcich and raced to the thirty-three yard line. Andrasi brought the ball to the 4 yard line on an end sweep which totaled 29 yards. Andrasi two plays later scored the touchdown from the 3 yard line. Lindblom scored once again, after a forty yard march. Senkowski scored the touchdown on a center plunge. When the half ended, Lindblom led Phillips 10 to 0.

In the third quarter, Senkowski scored from the eight yard line shortly after Andrasi intercepted a pass. Wilkin scored the extra point on a center plunge. A pass interception and two complete passes brought the ball down to the Phillips's ten yard line, from where Senkowski plunged over for the score. The game ended shortly after with the ball in the Maroon and Gold's possession.

The Lindblom Eagles received the privilege to play for the City Championship by winning from Amundsen, the North Section winner, by the score of 13 to 6.

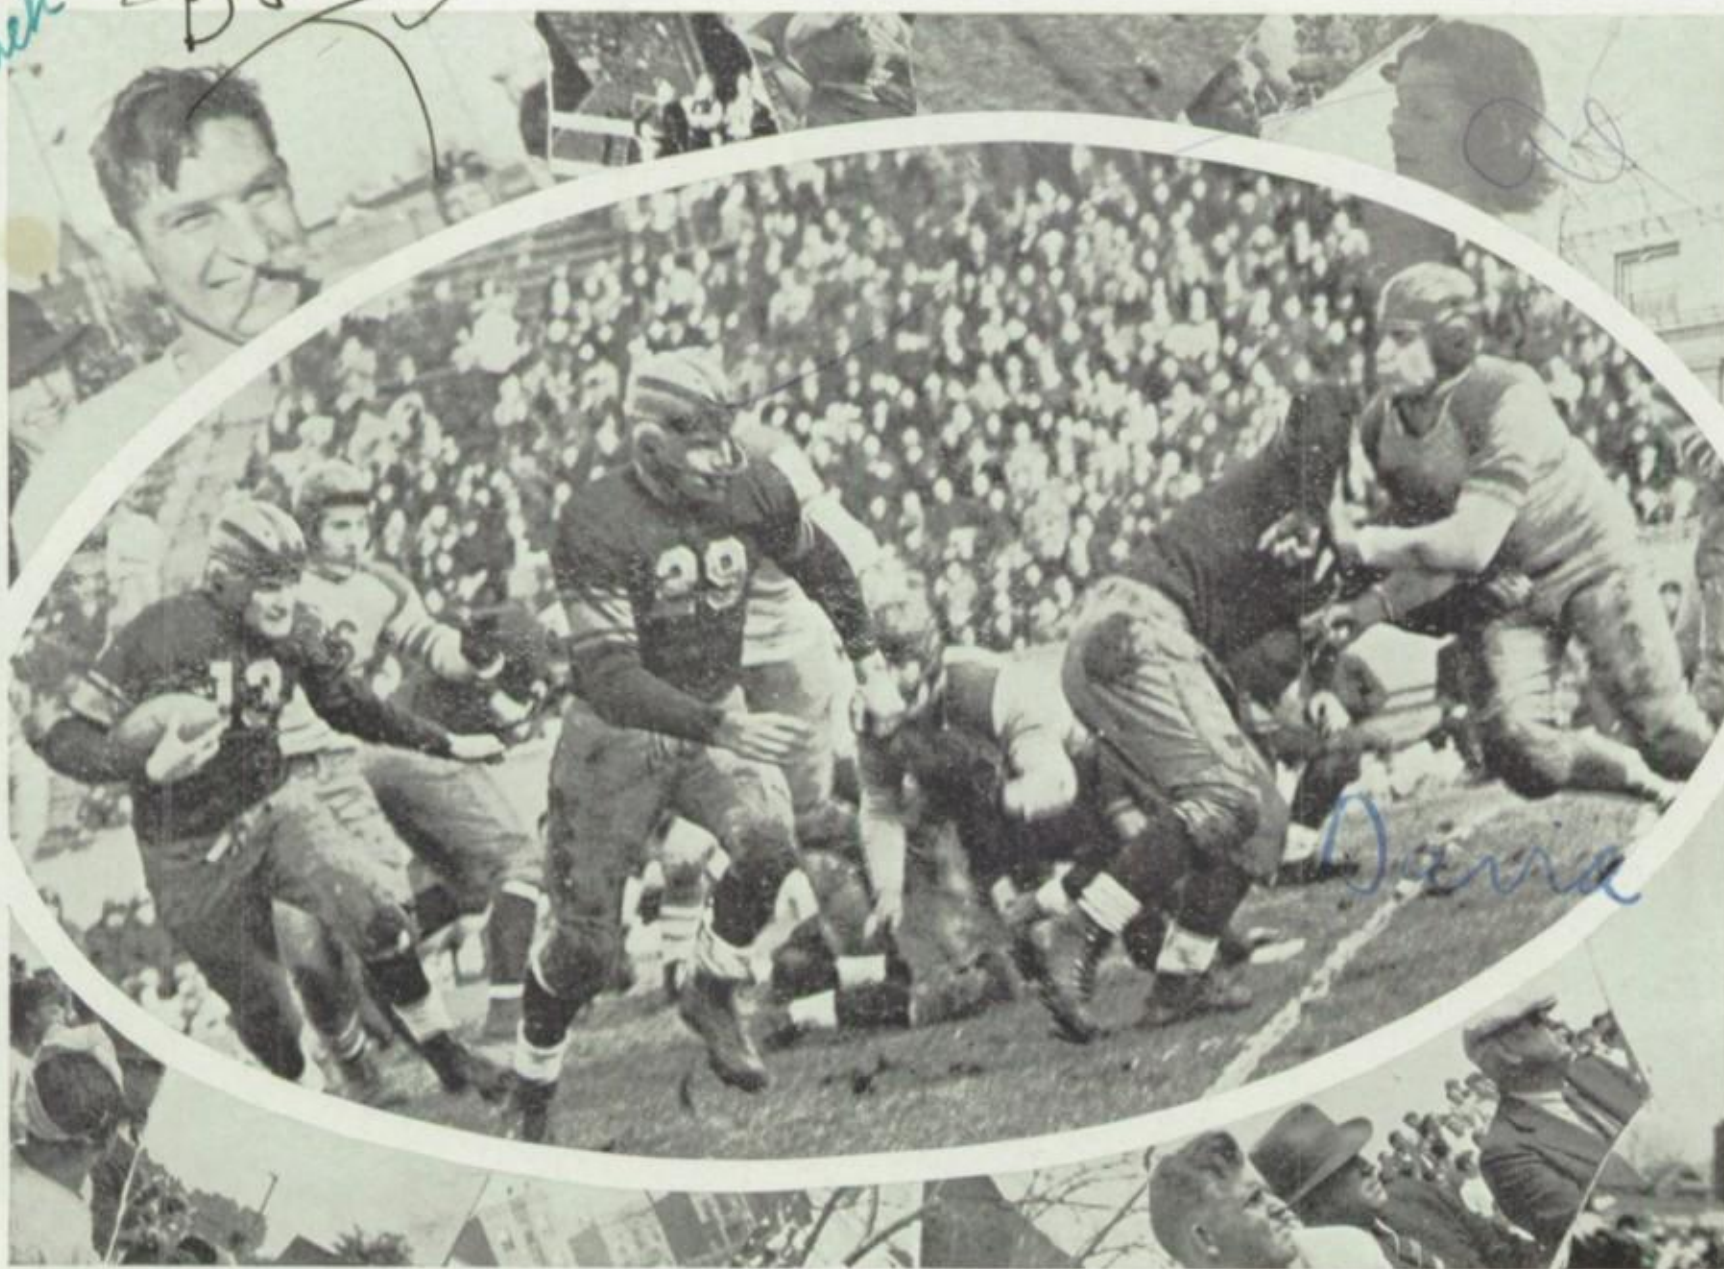

The first quarter began with the Amundsen eleven receiving the kick-off on their own thirty yard line. Unable to make much ground on three center plunges, the Vikings punted to the Lindblom ten yard line. With Ozouf, Senkowski, and Webright doing most of the running, the Maroon eleven made seven first downs and advanced the ball to the Amundsen eight yard line, as the first quarter ended.

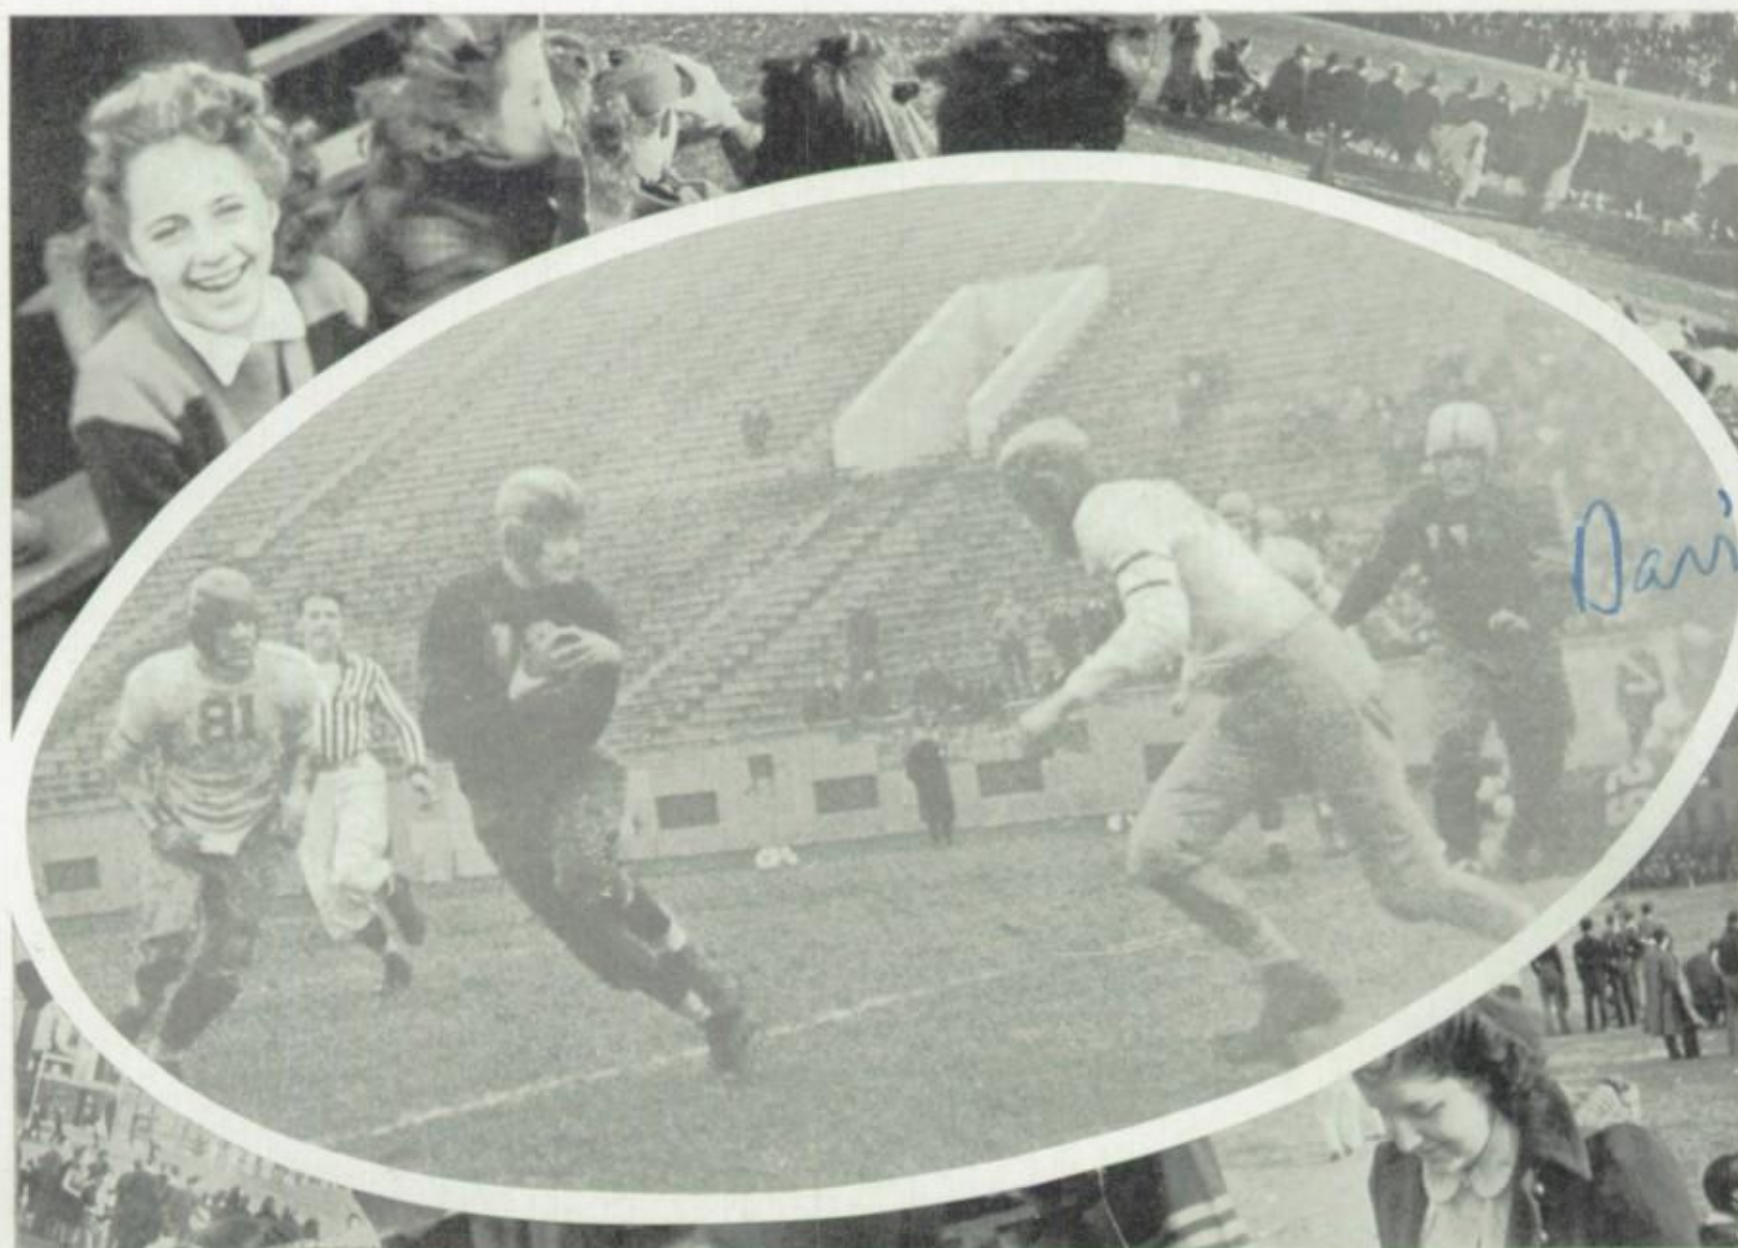

Four line smashes found Senkowski scoring the first Eagle touchdown from the two yard line. Ozouf's place kick for the extra point was blocked. The Maroon and Gold surprised the Vikings four different times by punting on the first down deep into their territory. These punts held the Amundsen team in check for the remaining part of the first half.

In the third quarter the Vikings displayed their passing attack by completing three passes, which brought the ball to the nine yard line. On the next play Bill Johnson threw a short pass to Howie Kirchwehn, who crossed the Lindblom goal line for the Viking score. The place kick for the extra point was blocked.

In the fourth quarter, the Eagles advanced the ball seventy-one yards to the Amundsen fourteen. Webright on a fake pass scooted around his own right end 14 yards for a touchdown, which proved to be the deciding tally of the game. The extra point was scored by Toren on a pass. The remainder of the game was spent with Amundsen trying to score by way of the air. Their aerial attacks lasted a short time, for the Eagle secondary intercepted two of their passes.

LINDBLOM-AMUNDSEN GAME

LINDBLOM-FENGER GAME

The Lindblom Eagles became co-champions of the city of Chicago by playing a scoreless tie against a highly favored Fenger eleven at Soldiers Field.

The game was filled with many thrills and much excitement. On the opening kickoff, Fenger recovered a Lindblom fumble on the Maroon 32 yard line. The Titans tried two line plays and two passes. The last pass thrown was intercepted by Copelan on the 20 yard line. Lindblom, unable to make much ground against the powerful Fenger line, punted the ball to the Titan 49 yard line. The quarter ended with no further scoring attempts.

Fenger began a drive at the beginning of the second quarter, but the alert Lindblom team ended their scoring threat on the 12 yard line. Soon after, Lindblom punted deep into Fenger's territory. The Titans, on a series of reverses, advanced the ball to the Lindblom 3 yard line, from where they fumbled. The fumble was recovered by Senkowski, just as the first half came to a close.

The third quarter commenced with Lindblom recovering a fumble on the Fenger 23 yard line. The Eagles advanced the ball to the 19 yard line and on the fourth down a pass was intercepted by Fenger on the 9 yard line.

Lindblom, at the start of the fourth quarter, fumbled on the 19 yard line, and the ball was recovered by Fenger. Three plays advanced the ball to the 11 yard line, from where Fenger tried a field goal. A bad center forced the kicker to run with the ball. When the Eagles received the ball, they showed their best offensive attack of the day by making three first downs and advancing the ball to the 49 yard line, from where they punted into Fenger territory. The game ended shortly after with the ball in Fenger's possession. Although Fenger was chosen to represent the public schools in the charity tilt, nevertheless Lindblom still remained co-champions of the city of Chicago.

SPORT SCOOP

Do you know that.....

The Lindblom roster contains John Galvin?

Carl Schiller, Russ Petrak, and Al Ozouf ate oranges between the halves at the football games?

Bob Brejcha taped his arm on to his shoulder before every football game?

Johnny Roman is worth quite a large sum of money with that piece of ivory in his nose?

Don Copelan is a very delicate eater?

Tony Borcich has a fine tenor voice?

boy am I laughing

Russ Petrak, captain elect for next season, is the most bashful member of the squad?

Ed Lorenz used more tape during the season than the whole regular team put together?

Chester Zarzeki took the part of a lover in a play, and made one of the best Romeos we have ever seen?

At a certain Friday night dance, which was in commemoration of our South American neighbors, Johnny Webright was seen talking to six or eight women at one time. It seems John was telling them about his appendix incision hurting him. Of course his consumption of six dixie cups and two dozen cookies didn't have a single thing to do with it!

John Galvin (generous soul) received a bag of cookies at one of our Friday night dances, and he couldn't resist passing them out to everyone in sight. It was in this manner that everyone on a westbound street-car from the motorman to the conductor was nibbling on a cookie—from the Galvin benefit fund.

Football plays a most important part in the lives of those passing through that period of their existence commonly known as "school daze." Lindblom's outstanding football teams greatly justify this intense interest, having always been a serious threat to rival contenders.

Our record reveals that seven times Lindblom has captured the City League Championship, bringing home the accompanying trophies. During the past twenty years also, Lindblom has been first in the Central Section 12 times, second 7 times, and third only once. In addition, her teams have felt defeat only 18 times to 100 victories, a winning percentage of 72%. This is indeed a reputation of which any school may well be proud.

Determined to live up to our prestige, each year the team battles such stiff competition as Tilden, Englewood, Farragut, Kelly, Du Sable, Phillips, and Harrison, under the expert coaching of Mr. E. L. Moore.

Coach Moore deserves a great deal of credit for producing the championship squads of which we boast. For this season, the fighting eleven held the Fenger Titans, wonder squad of the year, to a 0 to 0 tie, qualifying with Fenger as co-champions of the Chicago Public High Schools.

VARSITY FOOTBALL

Good luck
Leo Bilton

The Sophomore Football Team receives little fame or honor, practices as diligently as the varsity and is overlooked by the majority of our students. It is, however, really as important as the varsity squad, for it furnishes next year's varsity team. The pride of their coach, Mr. Barder, they have turned into a strong gridiron machine this semester, and with their acting captains, have proven themselves as worthy of Lindblom as ever. They might be compared with a baseball farm because they learn the fundamentals of their game and the importance of co-operation in building a good team.

The Sophomore Team doesn't contend with easily beaten teams, for we find the toughest competition available on their schedule. Such teams as Mount Carmel, Tilden, Oak Park, Harrison, Lane, and Morgan Park furnish opposition. It can readily be seen that the competition is really strong, but the Lindblom "Sophs" play in the belief that the stronger the competition the more thorough the experience, resulting in a better varsity for next season.

TRACK TEAM

These dashing young men of Lindblom's track team, captained by Carl Buehring, work hard to carry on the reputable record of the past squads.

During the course of the season Lindblom defeated Du Sable, 20-47, taking seven of the first ten places. The team also met Crane, Englewood, and Du Sable in a quadrangular meet held at Ogden Park. In the city track meet, with ten schools participating, Lindblom placed third. Lindblom had a fine team which exhibited talent.

To quote Mr. Topper, "The boys have great spirit. They really enjoy running and show good promise for future competition."

L CLUB

After earning his L in any one of the numerous variety of sports offered here at Lindblom, a boy is eligible to become a member of one of the school's most exclusive organizations, the L Club. In keeping with the traditions followed ever since its organization, new members partake of the more or less violent processes of an informal initiation, before becoming an official part of the club.

G. A. A. BOARD and CABINET

Active in the girls' gym at all times are those well known and very popular G.A.A. Board & Cabinet members. The well known success of the Lindblom Girls' Athletic Association is largely attributed to the diligent work and ever lasting vitality of these girls. Without their help, the girls' gym would not run as smoothly as it does, for each board member has the responsibility of many athletic tasks. There are certain extra activity classes that are run solely on the initiative of these girls without any help whatsoever from teachers.

This is one of the most outstanding groups at Lindblom, for to retain membership in the organization a girl must be intelligent, capable of obtaining high scholarship, have a certain amount of athletic ability, and possess a winning and charming personality. Their distinction is the trim blue and white uniform worn by every member.

If you know any of these girls you will readily agree that they possess all these traits and rightfully hold their positions.

Did you ever peek into the girls' gym and see scattered here and there among a sea of green gym suits, some lassies distinguished by their tan jackets? Perhaps you saw them taking charge of equipment, refereeing a game, or coaching a group of girls. You probably wondered who these girls were on whose shoulders so very much responsibility was placed. Well, they are leaders, the very experienced group of assistants of all the gym teachers.

There are two types of leaders, the advanced girls who have been leaders for more than one semester and the beginners who are just starting out. Being a leader, however, isn't all play and no work as one might believe, for each girl is required to spend three periods a week in the gym, besides her regular gym classes, and still maintain passing grades. These requirements demand alertness and capability.

The leaders contribute a great deal toward the efficiency and smoothness with which our girls' gym classes are run.

Team Games are a sure cure for a lack of pep and vitality. If you think you have lost that feeling of exuberance and zest for life just join one of the team game classes. Pack your grip for a trip to the girls' gym and after a breathless game of volleyball, hockey, or badminton you feel as "fit as a fiddle."

The girls really do have loads of fun, for they get plenty of exercise and derive valuable experience and skill from playing these various games. Extra points for their L's and chevrons are other rewards to be earned from this source, and from these classes members of the honor teams are chosen.

The team games and all they have to offer provide an outlet for the overflowing energy of many of our sports loving girls at Lindblom.

Elaine Lehr

The athletic girls of Lindblom look forward to the bi-monthly meetings of the "LD" club, held alternately in the Social Room and the girls' gymnasium. Under the sponsorship of Miss Lillian Klein, the club has been recognized as one of Lindblom's leading associations. A girl is eligible for membership if she has already earned her "L," or if she has acquired 500 points toward a letter. Each member, new or old, anxiously waits for the Farewell and Welcome teas held every semester after the Achievement Cup has been awarded to the most outstanding girl.

The "LD" club members witness many memorable and enjoyable events, including the initiation hikes, the semester volleyball game with the faculty, and the "L" club banquet, one of the most prominent occasions of the year. The chief aim and purpose of the club is to provide the athletic girl with an interesting social life.

Fencing at one time was man's chief means of self-defense. Today the fair sex has adopted this delightful sport to develop grace and poise. Undoubtedly every Lindblom student at one time or another has come upon a group of lassies obeying the commands of either of two excellent fencers, Lillian Dybas, the G.A.A. fencing representative or her assistant, Dolores Hahn, who conduct the fencing classes without any faculty assistance. "Advance," "Retreat," "Lunge," "On Guard" are many of the fencing commands heard coming from the senior alley during the second through the eighth periods on various days of the week. In addition to the thrill of the periodical fencing classes there is the most exciting event of the semester, the tournament by which the champion feminine fencer of the school is determined. Twenty-five points toward an L or chevron are given to members of the fencing classes.

Are you desirous of the ability to save a drowning person? Well, the one and only place for you on Tuesday, the ninth period, is our swimming pool where Miss Klein and her G.A.A. board assistant, Loretta DeKoker, instruct the Life Saving class. This organization consists of a group of water-loving mermaids who are taught the fundamentals of saving a life. A member of this class has the privilege of entering the Dolphin class.

The Dolphin class would be the class most suited to a girl who has her eye on the same type of career as that of Eleanor Holm's, for stunt diving, difficult strokes, and other aquatic feats are taught in this class. If you are an excellent swimmer, have a great deal of endurance and courage, and enjoy swimming whole-heartedly, the Dolphin class is your best bet. Acquiring a distinguished Dolphin emblem is the purpose of many of the members.

PEP'S DIARY

Sept. 3—School Days, School Days. Well, well, well, we're all back at school again, and the gong is about to let out with a lustrous clang starting us out on the final round. Oh me! Age is sho' creeping up on us, it sho' is!

Sept. 4—

Today Carol Hoffman, we must state,
To Mr. Blair's history class was late.
She tiptoed in sheepishly (twenty minutes were gone)
And explained, oh so shyly, that her clock went wrong.

Sept. 5—

The horrible tale of a "piggy" bank we now relate,
And the sad, sad fate of "Dot" Meiser belate.
When the Chem fee Mr. Johnston did softly demand,
The next day sixty pennies on his desk did land.
(Reading these rhymes you probably can't stand,
So for my health's sake, I think I'll scram.)

Sept. 6—Mr. Robinson was heard saying that his 7th hour Geometry II class has already acquired an "attitude of prayer" whenever he enters the room.

Sept. 9—Mary Kucera pursuing a career in the boys' gym—Hmmm! Nice work if you can get it!

Sept. 10—Dorothy Mega heard lamenting in Law, "Oh, I wish I had a brain, it's all I lack!"

Sept. 11—Irene Rules, Almeda Chaposky, and Virginia Filson gave their friends a fright when they came to school wearing three-quarter length stockings. Irene and Virginia's were an eye-shattering red, while "Mede's" were a green, anything but conservative.

Sept. 12—Virginia Raines and Kathleen Hillary groggy after a session with sulphur in the Chem Lab.—Lucky? Lorraine Janda can't smell a thing no matter how great the sting. Why? An attack of hay fever, no less!

Sept. 13—Marty Lundquist was found in the Social Room looking positively stunning in mascara, rouge, and lipstick. The reason? He was to be the chairman of the assembly "Our Town" and needed a little "local coloring."

Sept. 17—Murne Walker is saving American Family Soap wrappers so she can get a house on their premiums. I guess she hasn't heard of the F.H.A.

Sept. 18—"Punchy" Disch was fascinated by Howard Zeman displaying the characteristics of an animated cartoon in the course of his conversation with her.

Sept. 19—Edward Longevin was heard mildly asking Mrs. Nielson if he couldn't have next week off.

Sept. 20—Elmer Longfellow had his ears lowered recently and was feeling exceedingly light headed.

Sept. 23—

Shirley Manis on a bike one day,
Turned her head when she heard a "Hey!"
She was about to say "Hello!"—
When SMASH! into a lamp-post she did go.

Sept. 24—Tony Kerensky harmonizing with a couple of other A-4 Carusoes on "I'll Never Smile Again," and after hearing the result, we were pretty sure than we wouldn't either.

Sept. 30—How the halls do ring today! Maybe our 13-6 victory over Tilden has something to do with the feeling of festivity that reigns over the school. Could be!

Oct. 2—We don't think it's so good, but since we get paid by the line we may as well print it:

Mr. Hurn complained that most of his students are like processed coffee, "98% of the active ingredients removed from the bean!"

Oct. 3—The Hotel Committee is on the hunt, and even Sherlock Holmes couldn't ferret out more places to hold a Prom.

Oct. 4—Evelyn Kosak trying to convince us "She didn't care" by singing it on the division program in a Lamourish fashion.

Oct. 7—A Memorial Assembly was held honoring the late Governor Horner.

Oct. 9—Report Books (sad news between covers) were issued today, and Pat Phelan was heard humming "Stormy Weather."

Oct. 10—John Galvin and Frank Mayhew didn't have to sing for their supper, but they did have to wipe the dishes for their tea cakes.

Oct. 11—Caroline Kunich singing "I'M NOBODY'S BABY" had a sympathetic A-4 listener. When Carrie sang the line "Won't someone take a chance on me" this 4-A Cassanova jumped up and said he'd take his chance right now. His pals??? had to hold him back.

Oct. 14—Lindblom stepped up another stair on the way to the Section Championship by defeating Du Sable 14-0.—Yipee!

Oct. 15—Louise Blomquist roaming around Senior Alley wearing a hunted look on her face. Don't tell me you have MORE Chem. problems AGAIN, or are you still in the "Game?"

Oct. 16—Believe it or not—The weather today is the same all over the U. S. A.—DRAFT-Y. Fearing that the students might get caught in the Draft, and Register signs of sneezes, the schools were closed. . . . Ouch!

Oct. 18—Millie Polansky (she who recently said "Farewell To Appendix") telling us that the internes at a certain hospital are Kildarish.—Well!!

Oct. 21—What certain football player was the victim of a case of mistaken identity Saturday in the game against Kelly. A Kelly player, mistaking his mouth for a football, decided to punt, and backed him away from his two upper incisors. Guess who?

Oct. 23—Johnny Webright was heard giving the Senior Girls Club lessons on what to look for in a football game besides the smiling fullback.

Oct. 24—If you have anything fragile don't let Norma Alleman anywhere in the vicinity of it, for she has a phobia for breaking everything she lays her hands on. Mr. Johnston, King of Khem. Lab. is taking a course in bookkeeping just so he can keep his accounts straight. Norma, at the last report, had a bill almost bigger than our national debt.

Oct. 25—Famous last words that will linger with us forever and ever:
Miss Moore—"Finish the chapter, and write five questions."
Mr. Bach—"You nincompoopsyou!"
Mr. Blair—"Do you get my point?"
Miss Callen—"All right, I'll wait."
Mr. Robinson—"Isn't it amazing?"
Mr. Johnston—"Ye gads! What a mess!"

Oct. 28—Just in case you didn't know: LaVerne LaMantia is an appendix girl—she gets taken out.

Oct. 29—Albert Zultz of the Robe Committee advocated new colors for the robes. He suggested black and white in alternating stripes.

Oct. 30—Everyone is waiting around with their tongues hanging out thinking about the masses of candy to be sold tomorrow at the Senior Girls Council's annual candy sale. Some of the students gifted with a sense of foresight have already made appointments with their doctors for Friday.

Oct. 31—Goblins—Witches—Spooks—Hallowe'en is here again. The G.A.A. had the Kitty Kat Kapers Dance at which many of the prospective graduates cut up to the delight of everyone.

Nov. 14—Education Assembly—Wonderful thing Education, wonderful thing.

Nov. 15—Rewriting well known classics and nursery rhymes is the hobby of one Ed Modesitt who was caught writing the following on his cuff:

"Three rodents with defective vision;
Note the manner in which they flee;
They all pursued the spouse of the agriculturist
Who severed their extremities with a kitchen utensil.
In the entire span of your existence
Have you ever noted such an unusual phenomenon as
Three rodents with defective vision?"

Nov. 18—Saw our turkey in the neighborhood poultry store.

Nov. 19—Got our turkey in the family ice-box.

Nov. 20—Working up an appetite.

Nov. 21—MMMM MMmmmmmmmm MMmmmmmm!

Nov. 22—OOOoooooo! OOOoooooo!

Nov. 24—Richard John enlightening us with a show of his great intelligence. Says he, "A camel is a piece of candy, and a carmel is where you go to ride the ferris wheel." At this point we vacated.

Nov. 27—From a meager beginning the 4A Community Chest has swelled to over \$30.00. Some chest expansion, huh!

Nov. 28—If you are wondering why the boys have all started drinking milk, here's the tale. When asked how it happened that after his recent dental mishap he had his teeth back in use, Al Ozouf replied with the one word, "Milk."

Nov. 29—Better hurry, only 22 more days for Christmas shopping.

Dec. 5—Edgar Athey in describing his "Juliet" said, "She's a jewel. Ruby lips, eyes like sapphires, and they're in a platinum setting." Hmm!

Dec. 10—Today we were measured for our Caps and Gowns. My, how time flies.

Dec. 12—Albert Zultz was seen carrying around Yehudi, a wienie with cotton ears, a wire tail, and too thick legs.

Dec. 16—The Orchestra Committee always have such a good time when they go out, we wondered who footed the expenses. Maybe that is why one John Tichy wears such a downcast expression on his face and goes about with his left hand in his pocket.

Dec. 17—Seven more days for shopping left before Christmas and only the usual five days after for swapping.

Dec. 18—Again the day has come! We go down the "UP" stairs today and all we see is a sea of weebegone faces. Upon tapping one person on the shoulder and inquiring as to the cause, the questionee shouts lustily, "I've been robbed!" Oh, those Report Books, what trouble they bring.

Dec. 19—Some fun! The Class Party is today, bringing with it curled hair, Sunday dresses, and boys wearing their ties.

Jan. 6—Back to school with Resolutions and more Resolutions. I wonder how long it takes to grow fingernails?

Jan. 7—I hear Libby Zasser resolved not to play Malaguena for awhile.

Jan. 8—Upon reading in the Lindblom Weekly that he was considered "Nobody's Baby," Frank Mayhew stormed up to the "Weekly" office and frightened poor Agnes Zarack out of her wits by shouting incoherently something about his middle name having been omitted. Henceforth let all beware, and address him as Francis **Bruce** Mayhew.

Jan. 10—Swishing Formals and Sweet Music tell the whole of Chicago that "Prom Night" for Lindblom High has arrived at last.

Jan. 14—Albert Zultz heard that a cup of coffee is a great help for sharpening your—er—a—WITS (?) and so he has been carrying bottled coffee to Mr. Bach's math class. Upon being interviewed as to the effectiveness of this "stepper-upper," he said, and I quote, "Hic."

Jan. 15—While giving a talk on Federal Taxes today some bright 4A (expecting to graduate) said, "Of the revenue collected by the government, 98% is used for political salaries and 2% is used to run the government." Would one say here was a bankrupt humor?

Jan. 24—Sweet??? Notes and melodious??? fond farewells are sung??? by all the 4A's in the traditional Class Sing.

Jan. 28—For the last time in our lives we received our High School Report Books. Some of them more or less besprinkled with red ink and all of them full of memories.

Jan. 29—Class Day. Everyone signing everyone else's Eagle and telling them not to forget to write. Through all the gayness and festivity, a certain sense of sadness prevails.

Jan. 30—Overture to Tannhauser, Caps, Gowns, that funny feeling, accepting diplomas, and that little something that keeps getting in your eyes. Graduation. Now we store Lindblom and 4 years full of memories in the past and face the future.

Respectfully submitted,
